

Large Trees

** Approximate Height At Planting

White Pine

Pinus strobus

Height: 60' **Spread:** 20'-30'

Shape: Pyramidal **Foliage:** Green

Fall Color: Green

One of our most beautiful native pines. Growth rate is fast. The long, slender needles give this pine a medium to fine texture. Provide plenty of room and sunlight for this tree to reach its full potential. ** 5'-6'

Blue Spruce

Picea pungens

Height: 60' **Spread:** 20'

Shape: Pyramidal **Foliage:** Blue-green

Fall Color: Blue-green

A dense, attractive evergreen tree. A tree with strong outlines and formal habit. Full sun. ** 5'-6'

Greenspire Linden

Tilia cordata

Height: 40' **Spread:** 30'

Shape: Pyramidal, symmetrical

Foliage: Dark green **Fall Color:** Yellowish

Greenspire is the standard of comparison among the Lindens. It has a strong central leader, very uniform branch arrangement and a symmetrical, pyramidal form. ** 8'-10'

Marshall Seedless Ash

Fraxinus pennsylvanica lanceolata

Height: 50' **Spread:** 40'

Shape: Broadly oval **Foliage:** Glossy, dark green

Fall Color: Bright yellow

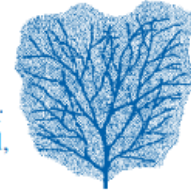

Marshall has been proven over the years to be a tough and adaptable tree. It probably produces the best yellow fall color of the Ash. ** 8'-10'

Shademaster Locust

Gleditsia triacanthos

Height: 45' **Spread:** 35'

Shape: Vase shaped to rectangular in outline **Foliage:** Fine textured, medium green **Fall Color:** Yellow

An excellent street tree, its upright branch structure lends itself to pruning for traffic clearance. ** 8'-10'

Red Sunset Maple

Acer rubrum

Height: 45' **Spread:** 35'

Shape: Upright branching, oval

Foliage: Dark green, glossy

Fall Color: Brilliant orange-red to red

Red Sunset is the most highly rated and reliable of the Red Maple cultivars. It's a vigorous growing tree with a strong and symmetrical branch pattern. ** 8'-10'

Swamp White Oak

Quercus bicolor

Height: 50' **Spread:** 50'

Shape: Broad, round-topped **Foliage:** Dark green

Fall Color: Yellow-brown to red

One of the native white oaks. Good selection for wet or poorly drained areas. Majestic tree with a long life span. ** 5'-6'

River Birch

Betula nigra

Height: 40' **Spread:** 35'

Shape: Broadly pyramidal to rounded

Foliage: Medium to dark green

Fall Color: Yellow to gold

The bark exfoliates to expose tan, pink or orange colored younger stems, which contrast beautifully with the white barked species. Its resistance to bronze birch borer is resulting in widespread use. ** 6'-7'

Pin Oak

Quercus palustris

Height: 55' **Spread:** 40'

Shape: Pyramidal with slender

horizontal branches **Foliage:** Green

Fall Color: Rusty orange to red

Pin Oak is a tree with a very distinctive growth habit. The strong central leader is maintained to the top. Branches are long, slender and horizontally layered, giving this large tree an elegant appearance. ** 6'-7'
